TEMPLED OUT

While some of us could spend weeks in the temples others can find themselves a little templed out after a few days. Here are a quick few suggestions those afternoons or days when you feel like something a little different. Please speak to us about the many more options available.

- Visit Artisans D'Angkor stone and wood workshop for a free tour and see art come to life.
- Jump on a bike and take a ride, it doesn't take long to be immersed in rice paddies and rural life.
- Silk Farm – Located about 16 Kms out of town the drive itself is great. Stop in at the handicrafts display located near the 7th Heaven Resort on either your way out or back.
- Gallery hop – Check out McDermott Gallery near the FCC or wander through the many galleries around the old market.

FREE UNLIMITED WIFI ACCESS

Enjoy free unlimited WIFI access in our restaurant and on the balconies. Relax and surf the net in comfort. WIFI access is also available in most rooms
